FAIRMONT TACKLE CANCER

Our Hope For a Cure

An event for women to gain a better understanding of the game of football while promoting cancer awareness.

Tackle Cancer Women's Football Clinic past proceeds were able to purchase a chemo chair and a bed for patients in the Infusion Lab at Mayo Clinic Health Systems in Fairmont.

Women from all over the area are anxiously awaiting our third **Tackle Cancer** event on August 22nd. Our mission is to **tackle All cancers** with the proceeds, once again, staying in the area.

This year, the proceeds will be used:

- To purchase gas, groceries and hotel gift cards
- Mayo Infusion Lab
- Fairmont Area Football Association (FAFBA)
- 10% to Randy Shaver Cancer Research & Community Fund

The huge success of our past two Women's Football Clinics were attended by over 300 women, vendors and numerous football coaches and players. *Many thanks for your past generous contributions to make these events successful!*

A donation of \$250 or more will get your business logo on the back of the T-shirt. \$100 sponsors will be named on the brochure and sponsors board. Donations must be received by **July 27th**. Any donation received after that will be located on a large poster at the event. A heartfelt thanks for considering a donation to such a worthwhile cause and event.

Not a day goes by that we don't hear of another friend or family member being affected by this dreadful disease. Please join us in helping families going through cancer by making a contribution to Tackle Cancer/FAFBA.
